

Greetings from Festival of India Schools Exhibits

Hello everyone,

I represent India Association of Charlotte, specifically Festival of India Schools Contests Exhibition.

This year Festival of India will be held on August 27th at Belk Theater from 12 pm to 8 pm. The festival has offered multiple cultural, educational, and entertaining superb quality programs for the audience in the past 27 years. The festival also provides a platform for students to exhibit their talent and creativity about Indian culture and diversity.

The festival of India committee is proud to sponsor a contest for elementary, middle, and high school students allotting \$1200 worth of cash prizes. This year the focus is on '*Kashmir*', the beauty culture, and challenges.

Projects can be student lead or teacher lead and the projects will be displayed at the FOI Schools Exhibit. The winning team will be honored on the stage and presented with the prize and individual recognition certificate.

Attached you will find three India related contests details for students in elementary, middle, and high school.
